

Recognised for "We get things done "

Damien Quinn , Paul Gasselstorfer , Craig Roberts , Kent Burles , Paul Beazley , Nathan Mitchell , Alex Mlodawski , Peter Gibson and Barry Harwood

A massive shout out to the SCOM squad for migrating from BMC Truesight to Microsoft SCOM. The work completed has ensured massive savings for the Bank, with over \$800k saved for the year. With super tight deadlines, the team worked long hours to successfully migrate without any major incidents. Excellent work by the entire team and a testament to the skill and tenacity within the Platform!
