

### Recognised for "Commitment"

**Daniel Mulukin , Sonam Sherpa , Peter Gibson , Tarek Elkassar , Nirmal Kumar Sasidharan Pillai , Manjunatha Gowda V , Swati Bhawnani and Daren Xu**

---

I would like to recognise the CBA and BW SCOM squads for their efforts in Q2. Both squads have leaned into collaboration actively cross-skilling and training to build a single cohesive operational support model across both SCOM environments. This joint effort is removing single-person operational dependency and has created a stronger more aligned product offering.
